*Striving To Be The Best We Can Be*

No. 70 22nd November 2019

Dear All,

This term has flown by with so much going on in school. Thank you to everyone who has been involved in some way of continuing to make our school a fabulous place of learning and fun. It was lovely to see parents at our information update evening, we plan to hold more events like this over the year to keep you all up to date.

It's great to be back and enjoying the beautiful autumn views from our playground. I have enjoyed hearing about time spent relaxing and regrouping over half term and am delighted that everyone has come back with such a positive attitude to this new term. It is destined to be another busy term for you to be involved in.

We have upcoming PTA events, Christmas performances, choir events and our Christingle Church service to look forward to. Please come along and get involved, we love to see our parents almost as much as we love to see our children!

We would like to welcome Lorna Hill, our new apprentice who is working with Poppy class and Henrietta Snoaden who is working with Speedwell. We are delighted they are working with us and know you will enjoy getting to know them. Chris Harris is new to the Forest of Dean and is taking some time to volunteer in school, sharing his expertise in gardening and forest schools.

We would like to thank Nicky Lloyd Bussell, our School Business Manager, who has sadly had to leave on compassionate grounds to look after family after a dramatic change of circumstances. We wish her all the best.

## School pickups

We have noticed an increase in the number of children who are regularly collected late from school. I do understand that there are occasions when parents and carers are held up by traffic and other unforeseen events. I accept that this is unintentional and usually in exceptional circumstances and we ensure your child is kept safe until you are able to arrange their collection.

However, we are finding that regular late collection is increasing. Teachers are unable to keep children in the classroom after school collection time, therefore, it has been our normal procedure to send them to After School Club until they are collected. Where this is now becoming a regular occurrence, either most weeks and/or more than an occasional incident, we will apply our normal after school care charges of £5.00 per child per part session. Please collect your child at 3.10pm to avoid being charged.

Should you have any specific problems that are impacting on your ability to collect on time at the end of the school day in the short term, please come and speak to me as we may be able to provide assistance.

Thank you

**Sarah Helm, Executive Head Teacher,  
The Wye Forest Federation**

## PTA News

The PTA are currently **busy busy busy** getting things in place for the **Christmas Fayre!** This year it's on a Saturday for the first time and we're inviting the village and surrounding areas to come in and enjoy the Christmas cheer. There are some amazing raffle prizes already and we've got some lovely stalls booked in – if you would like to add to that number please get in touch. Alongside the stalls, this year Olivia Woodhouse is going to be there with her fabulous pizzas; the Naylor's will be doing turkey and cranberry rolls; we'll have mince pies and hot drinks; games for the kids; some carol singing and perhaps even a certain fellow in a distinctive red suit will pay a visit..... Can. Not. Wait. Please come along, bring your Christmas goodwill and support your school!

Continuing on the Christmas theme – this year our 'product' is ..... drum roll..... Calendars! Not any old calendar though.... This one has **ALL THE SCHOOL DATES FOR 2020 ALREADY ON IT!** Term start and end dates, half terms and inset days, PGL and SATS weeks, Malvern, World Book Day.... Each class has been allocated two months and has produced a season-relative photo and piece of artwork for each of them. So your child's beautiful face and fabulous art will feature on there twice... They are A4 with cardboard backing and a hole to hang it but we'll also be selling sticky magnets which you can use to turn it into a fridge calendar. I'll get a mock up asap and will start taking orders shortly. Price will be **£10**.

KS2 event – the Foxglove and Speedwells have been invited to be the first to try the new Christmas Twilight Trains at Perrygrove! There'll be hot chocolate and cookies too (I may even start some Christmassy singing on the train....). There has been a really positive reaction to this from the children – the chance to kick off the festive season in style! I'll open up booking for this next week but the details are **Wednesday 4<sup>th</sup> December 6pm-7.15pm drop off and collection from Perrygrove - £3/child**. A big thanks to the Nelson-Browns for making this happen.

Very frustrating about the terrible weather last week which forced us to postpone the Open Parents Evening dinner. But good things come to those who wait and I can't wait to tuck in to the food prepared by Sarah Coley and Aaron! I'd like to take this opportunity to thank them both for their incredible hard work – I'm really bowled over by the lengths gone to to help create a fantastic dinner for so many. (With ALL proceeds going to help the school). We'll confirm the new date asap.

And lastly I'd like to welcome Danielle Lewis to the PTA team as she joins us as our new treasurer. We're very excited to have her on board – our fundraising is in safe hands! Thanks Danielle for stepping up. Next stop the festive season! HO HO HO.
