

Literacy

As writers we will develop our grammar skills through writing about what (or who) we might find in space...

Science **As scientists** we will explore: day and night, how the Earth and other planets move and how the moon moves relative to Earth .

Philosophy

As philosophers, ponderers and musers, we will consider if we are alone in the universe.

Our enquiry This term we will attempt to understand our solar system.

Speedwell , Term 5 2019

Space...what's out there?

Outdoor learning

As resilience-builders, problem solvers, nature-lovers and self-organisers, we will take some learning outdoors.

Art

As artists, we will recreate space designs in the style of Peter Thorpe.

RE

As theologians, we will learn about Hinduism and the values and ideas it shares with Christianity.

PE

As athletes, we will play hockey.

Maths

As mathematicians, we will learn about statistics, money and measurement.
